

# Easy

Self supporting  
parasol table.

Easy, durable  
and strong!

## The Fast Bar

A unique, self-supporting parasol table for use in bars, pubs, clubs and hotels. Ideal for smoking areas and for high traffic sites where large furniture sets are impractical.

### Construction

Table top from Werzalit with all the associated benefits, resistant to scratches, abrasions, heat and the weather. Hygienic and easy to clean.

### Installation

Easy to fit at any height, with just two simple connections. Durable enough to be left out all year round, strong enough to withstand every day set up.

### Printing

Tops can be printed with company logos for a high visibility advertising message.
