Self supporting
parasol table.

Easy, durable
and strong!

The Fast Bar

A unique, self-supporting parasol table for use in bars, pubs, clubs and hotels. Ideal for smoking areas and for high traffic sites where large furniture sets are impractical.

Construction

Table top from Werzalit with all the associated benefits, resistant to scratches, abrasions, heat and the weather. Hygienic and easy to clean.

Installation

Easy to fit at any height, with just two simple connections. Durable enough to be left out all year round, strong enough to withstand every day set up.

Printing

Tops can be printed with company logos for a high visibility advertising message.
